THAT MAN
IS A SUCCESS

who has lived well,
laughed often and loved much;

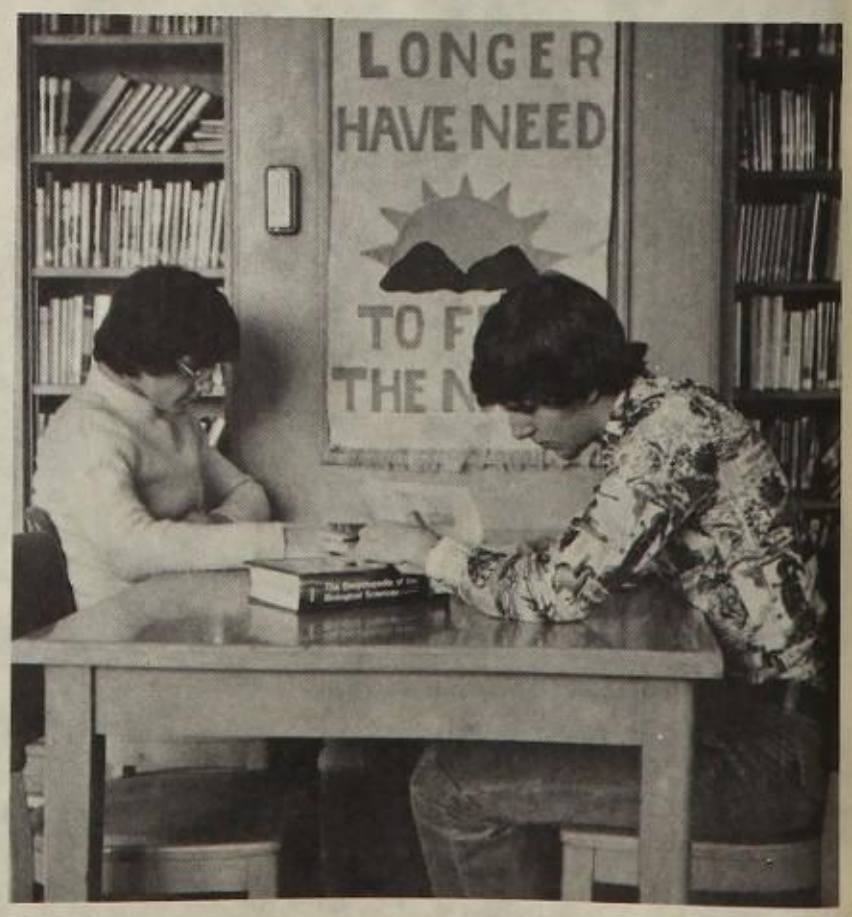
who has gained the respect
of intelligent men
and the love of children;

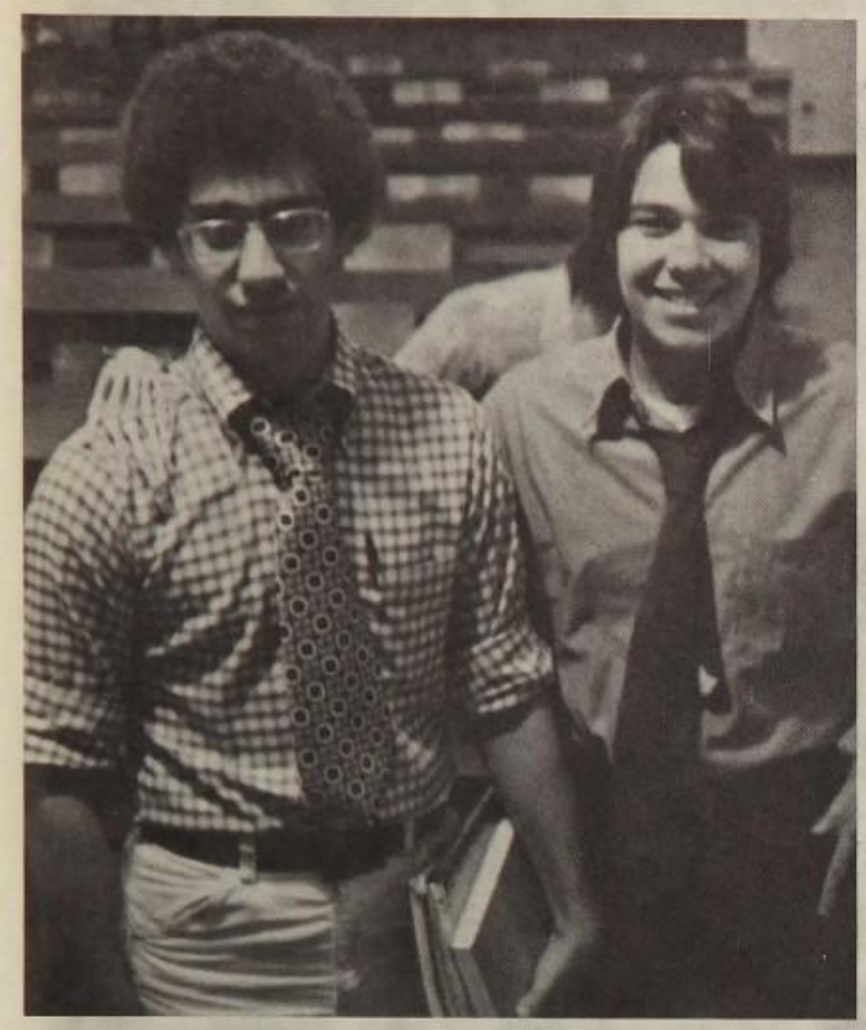
who has filled his niche
and accomplished his task;

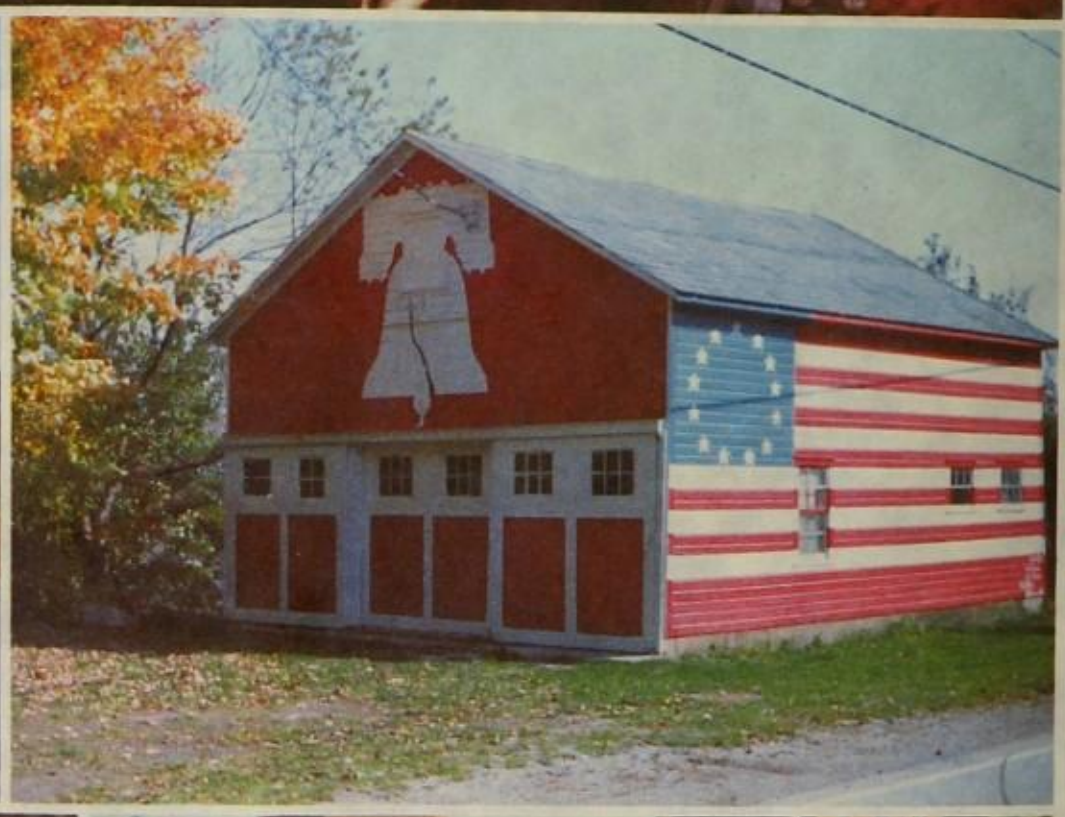
who leaves the world better
than he found it,
whether by an improved poppy,
a perfect poem
or a rescued soul;

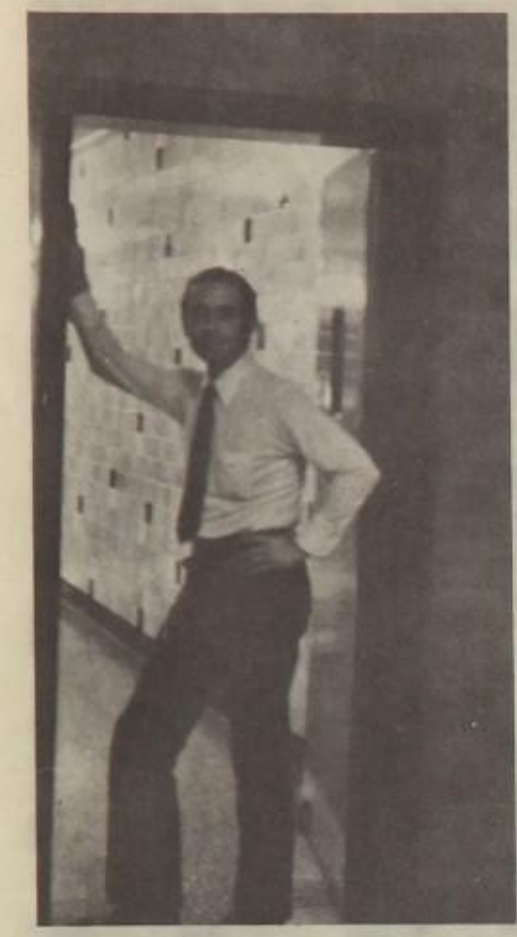
who never lacked appreciation
of earth's beauty
or failed to express it;

who looked for the best in others
and gave the best he had.









JOLLY

Another year goes by along with another publication of the **Blue & White**. The efforts of many have been binded together to make these 240 pages meaningful. This last page has been set aside so that as the Editors in chief, we can express our gratitude. Our thanks to: Ms. Maria Russo for her patience, determination and many other talents; Mr. Greenlick of the American Yearbook Co. for his advice; the senior editors and underclassmen staff for their many long hours of work and creativeness; and of course the student body, faculty and administration for their cooperation throughout the year.
